

Community Mass Care and Emergency Assistance (G-108)

Aberdeen, WA – August 5-6, 2014

COURSE PURPOSE

The purpose of this course is to develop foundational knowledge of Mass Care and Emergency Assistance (MC&EA) services in the community. *It is not a "how to" for sheltering.* Participants will use this information to build community emergency Action Items and to identify gaps in the community's program.

COURSE OBJECTIVES

Upon successfully completing this course, the participants will be able to apply knowledge to:

- Define the four primary MC&EA services as discussed in this course.
- Describe how to determine their community's MC&EA service resource requirements.
- Identify providers that exist in their community or can be called upon from a nearby community to meet the requirements for MC&EA.
- Name planning and operational actions that can affect how services will be provided.
- List Action Items to utilize resources and providers to meet MC&EA requirements in their community.

TARGET AUDIENCE

This course is intended for community agencies, Non-Governmental Organizations (NGOs), and private sector organizations that will collaborate to provide the Mass Care and Emergency Assistance.
